“ To the family of Alwilda McConnell, I was lucky enough to purchase a great deal of floral arrangements when Alwilda worked at Fredrick's. We got to strike up quite the conversations as it came to light that my mother's name was WILDA O'CONNELL. When I was in there ordering flowers for my mother, Alwilda's ears perked up as she thought I was ordering her flowers. A great laugh came of that and every time after that she would always remember who I was and I she. May she rest in peace and may the Good Lord wrap his ever loving arms around all of you and give you comfort during this difficult time. Thank you for sharing her with us. She was a star.

“ May Wil Rest In Peace....except for when she is chasing Bern in heavens kitchen. I loved to hear her tell those stories. I imagine they are sharing a long needed embrace. Our deepest sympathy for the loss of an amazing woman. With love, Linda Beck and Gracie Bertram.
