“ Donna and I have been friends for many years, We did many things with her and your Father. Snowmobiling from the Hall Camp was one of them. On one of our New Years Eve trips Don went around a corner and Donna flew off. He didn't realize she was gone. Marvin and I were right behind so we picked her up and took her back to camp. Lots of good memories - times at the Lake cottage, trips to Green Bay to see plays, etc. Guild activities such as pasty sales. Lot of things were done with the money we raised and it was al ways good fellowship. I have missed her and her friendship these past few years.

Your family has our deepest sympathy. Please feel free to call if there is something we can do. Marion
