“ Sharlene and family,
I'm so sorry for your loss. Janice was a great lady with a wonderful laugh, one that will never be forgotten. Although I haven't seen her in years, I can still envision her voice, smile, and laugh. I remember laying on her couch the day of my wisdom teeth removal, because I had to be with an adult after anesthesia. She was quite the caregiver, whether it be humans or her fur-babies. I am forever reminded of her, when I make and eat chocolate chip pie, as she made the best little ones at the restaurant. I can still picture the look on her face when she first introduced me to them. She must have thought I was crazy, like who wouldn't love chocolate chip pie? It was like a warm giant cookie. She was right, I am forever hooked on them thanks to her. I will miss her dearly, as I'm sure you will too. She left such an impression on everyone she came in contact with. My deepest condolences to you and the rest of the family.

“ I really enjoyed working with Janice at Freemans and we always had some laughs. I remember how she always talked about cooking and baking late at night on her nights off because she worked midnight shift for many years. She will be missed.

“ My thoughts and prayers are with you during this sorrowful time. I went to school with Janice and graduated with her in 65. I remember her great sense of humor and she always wore a smile. I also remember her visiting her cousin, Rita Rochon, who was our neighbor for years. Take care and God bless. Barbara (Cieslak) Hartwell
