

Joan Marie Phillips

December 16, 1931 - November 20, 2018

KINGSFORD -Joan Marie Phillips age 86, left us for her next journey through the forest and streams to God's Kingdom. On November 20, 2018, Joan passed away peacefully with her babies by her side.

Joan grew up at a time when the simple things were the best things. A time when getting into trouble was playing by the railroad tracks or swimming in Vulcan Lake on a hot day when she should have been pulling weeds!

Joan or as many called her when she was young "Booboo," was born to Leo and Margaret VanGoethem on December 16, 1931 in Norway, Michigan. She graduated from Norway High School in 1950. In her younger days she worked for Kraft Foods in Green Bay while attending business school.

Later, she worked for Dickinson County until her retirement.

Joan enjoyed the outdoors, often taking walks in the woods near her home. She loved dogs and they always brought a smile to her face. She was an avid painter and enjoyed reading, sewing and crafts. Joan was a good cook and often stretched a meal for unexpected company. No one went away hungry.

She is survived by four children: William Phillips, Michael (Patty) Phillips, Patricia (James) Charlier, Deborah (Kevin) VanPay; ten grandchildren and step grandchildren, Jacqueline (Patrick) Ryan, Stephanie Phillips, Stephan Phillips, Jennifer (Tony) Adam, Michelle (David) Alexa, Jimmy Charlier, Carly Charlier, Logan Koebel, Nathan (Megan) VanPay, Kyle (Megan) VanPay; five great grandchildren: Taylor, Bryce, Ethan, Ella and Adilynne.

Family will greet friends on Saturday, December 1 from 1 to 4 p.m. at Ortman Funeral Home in Norway.

Joan will be laid to rest at the Norway Township Cemetery.

Family is requesting that any memorials be made as donations to the Solomonson Branch of the Dickinson County Library, 620 Section Street, Norway, Michigan 49870 in Joan's name. In years past, she contributed in the name of her parents and it is a worthy cause to continue.

The family would like to thank Joan's Angels from the Angel's on Humboldt Assisted Living Facility in Green Bay, Wisconsin for the care and kindness they gave Joan the past two years and Heartland Hospice, Green Bay for their compassion and help in the final weeks of her life.

“ Bill, losing a parent can have the most unique way of bringing together those that have strayed from the family. It is a time to mourn the loss together, find comfort in each other and remind us of the importance of family. God's family is huge and please know that you never suffer alone and only have to reach out to find peace and comfort in the open arms of a member of that family. We are here for you and your family and know that God will see you through, and a brighter day will dawn for you and yours. Many good thoughts and prayers coming your way. Patti, Florida

Although no words can take away the sorrow that you bare, may it be comforting to you to know that others care for you and share your grief. May the peace that comes from the memories of love shared comfort you now and in the days ahead. “The loss of a mother can never be replaced, but the love of a mother can never be lost.”

“ Bill,

I was touched by your letter to me regarding the untimely passing of your Mom and what she meant to you. I also appreciate the words of affection for each of your grandmothers and their affect on your life. I am indebted to you for the time and effort it took you to write your personal thoughts to us at the Underwood Surgery Center during this time of reflection and grief.

It will be 30 years this month since my own mom's passing during her demise from cancer. She was taken too young and at a time that left my family heartbroken from all dreams she never realized in spending more time with her children and grandchildren. I celebrate her life each day and remember all the good things that she taught me and the bar that she required. All I can do as a son , in her memory, is to live a life that redeems and perpetuates her legacy as role model, teacher, and a wonderful Christian life filled with devotion to her family.

I celebrate your Mom's life with you and wish all of your family great blessings in this time of pain as you mourn her passing.

Thank you for the letter and for always being there for us as a company. She , I am certain, is proud of you and cherished you as her son.

Prayerful wishes that God grants you peace and comfort,
Paul R. Williamson MD

“ To my cousins, Bill, Mike, Patty, and Debbie, Thinking of you in this difficult time. I have fond memories of Aunt Joan, her smile, her laugh, and how she liked to tease me. I enjoyed staying with all of you in the house in Loretto. As we celebrate Thanksgiving tomorrow, I will think of the times we shared this holiday with my "Van Goethem" side of the family and how we always had polenta with our turkey. Yum, turkey gravy on the polenta! Picnics at Lake Antoine come to mind also--those were great times! Rest in Peace Aunt Joan. With love, Vicki Van Goethem Laupp
