“ Aunt Margie was special and held a memorable place in our lives as we grew up in Norway. We loved going over to visit and sampling some of her baked goods. She always had a special treat for us. Later in life, after we left Norway, no trip back home was complete without a visit to aunt Margie. She will be missed.

“ Dear Richard, Lynette, and families. We will miss her gentle spirit, you have our sympathies. Marge was always there for her family and friends to be supportive and sharing anyway she could, and providing delicious meals and bakery! She showed us her love by serving others and praying for them. It truly is an honor to have known her even though we spent most of our time visiting her back in the early 70's. God's blessings and Peace for you.
