“ Our thoughts and prayers go out to your entire family as you all transition to life without Ruth. Ruth was a person who was a huge inspiration to many people and had a positive impact on many people's lives, including ours. This Bible verse, "Do nothing from selfishness or conceit, but in humility count others better than yourselves (Philippians 2:3), accurately reflects Ruth's philosophy of life in my opinion. Ruth was one of the best examples of a person who was humble and had a sincere heart to serve the Lord and others. I (Mona) had so many fond memories that I will always cherish of spending time at the Hayes house and the farm with Kathy and the "Hayes gang". There was no other place I wanted to be than there! I am so very thankful that your family was so generous and willing to share their horses and home with so many of us. Some of my best memories of Ruth are riding in her station wagon and she was always humming a tune, having Sunday nights at the house watching Walt Disney and having Ruth's "smorgasbord", my personal favorites pizza, hot dogs, and ice cream, and in her 4-H sewing club (but rather than really sew, playing hide and seek and tag in the basement). Ruth volunteered in the special education class where I taught with her dear friend Nada. Those women came for over 20 some years. That's dedication! We shared lots of laughs and both of those dear women taught me more life lessons than they ever knew. Whenever I would compliment them or shared how they positively impacted my life as well as so many others' lives, they would dismiss it and change the topic. For me, Ruth was a mentor. She was generous, kind, sweet, and loving. She had an easy going nature and once in awhile I did go too far and "ruffled her feathers". She was smart and witty with a good sense of humor. She shared her perspectives on life and the love of Jesus. She was my Sunday School teacher for many years when I was a child and when I was an adult and moved back to the area and rejoined the Methodist Church, I became her assistant. I am thankful to have known Ruth and the family and consider it all joy! I am grateful she knew the Lord and that she now is in Glory! She's released from her bondage and I picture her in Heaven, rejoining all her loved ones and in a station wagon, covering miles and humming! My love to the family!

“ I will always remember Ruth for her kindness, and what she gave to her community. I was a member of her sewing 4H group and we looked forward to attending weekly. I was her neighbor and spent time with her through Big Brothers Big Sisters. She was a great woman. Her family must have been very proud of her and I know they will miss her. As everyone who knew her will.
