“ Tim was my baby brother. It's hard to wrap my brain around the fact that he's gone. Being there was no funeral & still no memorial or family gathering, I cannot seem to find any closure. Thank you to each one that sent their sympathy below! I sure do appreciate those wonderful years he spent with Glory. She gave him a daughter and a grandson whom he loved and adored, as well as the daughter they lost, (Nicole). He was also privileged to have Brutus I and Brutus II and most recently, Maggie. I heard they were real buddies and surprised that they weren't together when he passed. But God has His ways, and knew that poor Maggie would probably have run away. You were quite a talented meat cutter (for many years at Oliva's Market till they closed & later, at Ebelings Market in Norway) You had many other talents, which came in handy when you remodeled your home. But you never realized how special you were. You were a humble man. May God rest your soul. And may Glory and Jodi & Tyler (and Matt) enjoy the good memories, and find strength for each day, so as to honor your memory. May your many friends, as well as the rest of "us" not miss you "too much", but be grateful for the memory you gave us. We shall meet again, in a much better place. Much love and hugs,
Your "older" sister, Christine (Chris)

“ My sympathy to you Glory as I know only too well the pain of losing a husband way too early. Treasure your happy memories and try to be grateful for what you had rather than what you've lost. I can't say it will be easy as I still miss my husband every day, but you will find so many people praying for you and supporting you, that it truly does help. God Bless you and your family.
