“ Dear Carol. I am so sorry to hear about your Mom passing. I just found out today. I can see her up in heaven with your Dad. They are together again sitting in front of the gas station looking down at us, watching the cars go by, picking out the ones they liked best and knowing that someday we will drive up and sit with them. I will never forget her or your dad. I know I banged on her/your door a lot looking for you, but she always had a smile for me and some goodies. And she never hollared at me for singing under your bedroom window in the morning's. Whenever I ran into her at a store she always knew who I was even after I was gone from the area for 20 years . I am angry at myself because the last time I ran into her at Shopko we reminisced as usual and she told me to stop by to look at all the pictures she has of me and you when we were little. I didn't make it and I regret that very much. She will be missed by all that knew her especially me. God Bless you and your Family. Love and Hugs, Gayle

“ Dear Carol & Family  
I don't know where to start. I feel like another backbone of our old Loretto is gone, and we may never see it happen again. I never heard anyone say one bad thing about your mom or dad. I can still see her on her box cleaning off car windows. Feeding the gang of old timers hanging around the filling station. Treating everyone like they were someone special. How wonderful she was to my sister Joann. She will always be part of my memory, and part of our history of Loretto. I will miss her.

“ My Auntie Adele was very special to me. I spent most of my summer day tagging along behind her. She called my her "pill". No matter what time of day it was she was filling me up with food. You could never stop by there without eating something. I am going to miss her so very much. My son, Domanic loved to visit her, he had never met anyone quite like her before and love her very much. She was a very special Aunt for me, she always had time for my daily visits to her. I miss that and will miss her. My sorrow cannot compare with that of her family. My thoughts and prayers are with you all. My Auntie Adele.....

“ Carol & Holly My thoughts & prayers are with you during this time of sorrow. When I last saw Grandma it was at the Halloween parade at school, she was so thrilled to be able to watch Anthony & Jeana you would have thought she was 8 again! She will always live on in your stories and your hearts, keep those memories alive for Anthony & Jeana. With my deepest sympathies
