“ Albert has been a family friend for as far back as we can remember. Albert and my Dad would pick beans on my Family farm when they were kids. Albert was a very giving person, always helped his friends, type of person that would give you the shirt off his back. Countless good memories and laughs we all had with Albert, weather it was pool league, our infamous golf outings, fishing in the ice shack, hunting, hanging out at Camp, watching Red Wings & football games with my Father and I at our house. I could go on forever. To his family and son Jesse, we are fortunate to have known Albert. He was a good person, great friend and as Albert would say a "Cool Dude"... Truly was... Rest easy Old Friend, one day we shall see you again.. RIP Brother. -The Bray Family
