“ I have been researching my family tree. Alice was my mother's cousin. I was saddened that I located her this way. She sounds like a wonderful person.

“ Dear Dr. Covioux, Sincere sympathy at the passing of your dear wife, Alice, from all of the Baier family here in Oshkosh. I think my brother Tom stopped in when you had your office on the corner of 11th and Oregon and had his glasses adjusted...even though he was not a patient of yours! That was just the beginning of a LONG list of Baier kids who had their glasses adjusted by you or Alice. You were both the Best. Alice was a charming, gracious lady...you two were a true couple. Our thoughts are with you today. Jean (Baier) Thierman...the one with 20/155 vision...
