“ Annette and Dave lived next door to us when we had the home on Indian Lake in Manistique. We established a long term friendship with Dave and Annette that will never be forgotten. I will never forget the times we had sitting in their front porch just big enough for 4 people which was perfect at the time because Natasha (my wife) and I did not have kids. These were great times and of course falling asleep on their couch was always a humorous memory because Dave and I would sleep and Annette and Natasha had to wake us up. Annette will certainly be missed and the times we hung out will be cherished forever! Thank you for the great memories Annette!
