“ My prayers to all members of Tony's family. I heard through a call from a high school buddy of Tony's passing. I was a classmate of Tony all the way back to our Vulcan school's time and graduated together in 1967. Being far away I was lucky enough to bump into Tony on Vulcan ski hill a few years ago. I had heard many times of Tony's involvement with St. Mary's. I would like to share just 2 memories that I have never forgotten. When Tony's big brother went off to serve in the service Tony had access to the convertible. I happen to have lucked out that evening as we headed to Hamilton Lakes to cruise around. Someone in the front seat threw a fire cracker but headed to the back seat. I believe it was thrown farther out but Tony was extremely worried that big brother would really be mad. Lastly, Tony and I while juniors were on the varsity basketball team. Our playing time was limited and decided to sit near the end of the bench so we could socialize with the cheerleaders. I believe the coach got wind of that and needed to sit closer to him but not sure if our playing time increased. Growing up in the Norway area was so nice. Having a classmate like Tony just added to that. Tony was always nice to all he met and from what I hear that part of him always remained. Rest in peace Tony, Rich Pellegrini
