“ Sorry to here of Beverly's passing. I have good memories of Beverly sharing with my Mom of family history and the area. I also remember a time when my Wife and I were camping up there and she brought us a spaghetti dinner for us. We will miss her and the updates she would send through the mail.

“ Beverly and I were Third Order Carmelite Sisters for many many years. She was a wonderful person and I'll miss her and her beautiful mailings to me. She'd share her lovely artwork so often in her letters. I so wish id had contact with her one more time. What a gifted lady! Since her hearing was so bad, and I live in Painesdale, we only kept in touch through the mail. Our last correspondence was in January of this year. May she Rest In Peace. She will never be forgotten.
