“ We will miss you Uncle Bruce. I once read "When you were born, you cried and the world rejoiced. Live your life in a manner so that when you die the world cries and you rejoice." The memories we have because of you will bring joy and love to the heart of everyone who crossed your path. We love you, we will miss you, we will always remember you and keep you in our hearts.

“ Uncle Bruce, you will be missed. I am so thankful we got to spend some time this summer camping with you. Some of my favorite memories are when you made a tree swing in your backyard for us to play on and when you had to save my sisters and I from the haunted house on Porcupine Rd. Berkleigh, Chris, and I have enjoyed your pontoon rides on Sage lake, wish there could have been more. I will miss you Godfather. Drinking a Miller High Life for you! -Love George
