“ Candy and I worked "together" for 25 years, she as church secretary and I as UMC District Office secretary. We never actually met in person but we shared many phone calls and emails. She was a lovely person and she will be missed.

“ On behalf of the Class of 1974 of Norway High School, we mourn the loss of Candy Johnson Thomas and offer our sympathy to Dale (also our classmate), their son Jordon, parents Shirlee & Don, brother Dave, sister Wendy and their families. Candy was always so interested in all of us classmates - those near and far - and helped us plan our class reunions. Us "locals" will miss her drumming in the parades as part of the Norway City Band and at the Norway Pharmacy where she was a "fixture" for many years. R.I.P. Candy - you left this earth too soon - but you made a difference while you were here.

“Candy will be more than missed by me. I was lucky to have known her when I was growing up as I lived across the street. She was a teenager and I a young punk, but I idolized her and Wendy. We drifted apart as they were older than I. Then I started working at the pharmacy and it's not just a job there, it's family. She was always so concerned about me when I should of been concerned about her. I was in the hospital when she was gaining her wings and I am broken hearted. I loved her and I will miss her terribly. Dale, Jordan, and her entire family I am praying for you. Candy rest in peace until we meet again 🥺❤️

“Dear Jordan, and Family: My heart goes out to you and your family. Your mom was one of the nicest women I have ever known and she and I had a lot of wonderful conversations throughout the years. She loved you so much and was so proud of you. May your wonderful memories help you through the sad days ahead. We know she is with God and thankfully we will all be together one day. Take care of each other.

With love and sympathy,

“ Years ago when I used to stay summers with my aunt (Delores Fike) and my cousins. I met Candy and her sister Wendy,,we would spend a day here and there just hanging out. I can't remember the woman's name; but we would visit her...she would enjoy our company as we did her's...the special treat was that she would give us almond joy or mounds candy bars. Candy and I grew closer as friends. We wrote letters to each other for about a year. Somehow we lost contact with each other. I had always wondered what happened to her and how her life turned out. Earlier this year I found her on Facebook (with the help of my cousin Pam). I was sad when I was told she had cancer...but that wasn't the reason for friend requesting her...she accepted. Upon reading her posts I found that she had children she was very proud of and a loving husband. She was loved in her community too. I was very fortunate to have known Candy..

Dale, and family, along with special thoughts for Don and Shirlee Johnson, I had just returned from being out of the country when I read Candy's obituary. I recall being in the band with her, at school as well as the Norway City Band while she, her Dad, Uncle Curt, and Grandfather(Snakey) all played the drums. Please accept our heartfelt condolences during this most difficult time.

“ Dale, Jordan and Johnson Family,

I am so sorry to hear about Candy, she was truly one of the nicest people I have ever known. She was always so caring and was so good to my Mom and always sending her cards and asking about her. Candy has more than earned her place in Heaven and will be a beautiful angle watching over her family.

*My deepest sympathy goes out to all of you.
