Her family would like to thank the staff at ManorCare for all the care and comfort provided during her stay.

“Your heart is trying to rock, but it can barely beat at all, your soul is trying to run but all your body does is crawl!”

My dearest friend, Carol for 67 years. I am so sorry I can't be at your side to say goodbye. I love you with all my heart and I will never forget you.

I wish I could have had a way to come to the U.P. to visit you, but it just wasn't to be, I guess. I'm glad we were able to talk on the phone often and had so many happy conversations together.

You are a huge part of my life, and have helped me through so many tough times. We share so many memories going back as far as when we took art classes together and all the silly stuff we used to talk about and do together in our younger days.

I know you will rest peacefully, Carol, because you have always been true to our Lord, God. Through your guidance, you helped me to believe as well. This is not the end for us, Carol. We will see each other again one day. I will look for you in your heavenly garden and we will be reunited.

Farewell for now my dearest friend and sister.

Ray sends his love and will always pray for you in his heart. Please give our love to Bill and Ray (Ralph) - Frenchy and Cuddles too.

We care so much.

Our love and utmost respect to Carol's family and friends. You have our sincerest sympathy at this sad time. We send our love to you all.
