“ I am so sorry to hear of Carol's passing, she will be sadly missed by all the had the honor of knowing such a wonderful person. She was someone that I would always think of and appreciate how she kept such a positive attitude and will be an incredible inspiration to myself and to many others that have to deal with an unfortunate illness such as hers. Carol is at peace and is amongst the angels that she herself has portrayed in the time that I was fortunate enough to know her. My thoughts and prayers are with all of her family at this time... what an incredible, incredible woman!

“ Carol is truly going to be missed by all of her family and friends. As a cousin I have many, many fond memories of us all at the Farm. I sure will miss her great smile and wave as she would drive by the house and her many short visits when she would stop by on her drive by the house when we would be outside working. Her suffering has finally ended and she is in a much better place where she will no longer experience any pain and waiting for the day to see us all again. Our thoughts and prayers are with you we won't be able to make it to the service. Jeremy has a wrestling tournament out of town and we are leaving on Friday. Our prayers are with you all and will try and see everyone when I get back on Saturday night.

“ Carol was one of the sweetest people I have ever met. She introduced us to her Yorkies and we just had to have one. I think we bought our Jewel from Sharri if my memory serves me - almost 12 years ago. I am struggling to understand why this would happen to such a kind hearted person. Our thoughts and prayers are with you.
