LD

Carol was a wonderful person. It says she liked spending time with her family. She spent a large part of her life raising that family right up to her great grandson Dylan Dale (there was a misspelling in the obit). She had a big heart and loved her family. She will be sadly missed by all who knew her. My family will be at a loss without her. Like my daughter said "This year gammie will be going to live with the angels instead of getting a new one from us this Christmas.

ME

Aunt Carole, I will miss our Wednesday morning gab sessions, your sense of humor and the way you would say our names in that low deep voice, especially if we made you mad! For all of us that heard that voice, you know what I am talking about! You were there for all of us whenever we needed you, I will think of you everyday for the rest of my life, you will never be forgotten. I love you Aunt. Until we meet again you keep Mom and everyone in heaven in line.

*We are neighbors of Carole... and just now read of the news. I have to say she was such a sweet woman. We saw Dylan grow up and knew that she was taking good care of him. Our condolences to you, Dylan, and the whole family. You lost a treasure, there... make her proud with your life!*
