“ I don't know what to say to you, I am crying as I type this . When my wife died suddenly 3 1/2 years ago, I did not care to live any longer, but I have children and grand children to think of. I can only imagine what you are going through right now, I can't know your pain, I have never lost a child - your situation is unique and only the two of you know it, so you have each other. I would like to do something for you. I have been attending grief sessions at Sharon Richardson for three years and know and understand a lot about loss and the grieving process. You may call me any time if you want or need to talk. 920 452 4984--or send an e-mail. PLEASE attend (if you want to) the group at Sharon Richardson on Thursday Feb.18 at 6:00 PM. (every third thursday at 6:00) I also invite you to call Marianne at 920-467-2011. Jenna needs help with this and she needs her parents. I will be praying for Ben, as many others are. I am reaching out to you --this is way bigger than you can even imagine. I am praying for you and everyone who has been touched by this tragedy. Sorry if I said too much. God bless, John johnaltwies444@yahoo.com

“ I have deep regrets that I was not closer to Uncle Chuck and his children. I got to visit a few years back with Charles, and we recently spoke on the phone at the VETS home. Recently his oldest daughter Kathy got to speak over the phone. Thanks to the Vets Home in Marquette who kept him comfortable for many years.
