“ *My heart goes out to the entire family. I know that you find comfort in the fact that Clarence and Rita are once again reunited. He was a one of a kind man who will be missed by all those who knew him. The hill will never be the same without Clarence and his shop. No doubt if there is work to do in heaven, Clarence is up there right now getting it done....and Rita is having a cig at the kitchen table with supper on the stove! :) They will be alive in our memories forever.*
