“ So sorry to hear of Connie's passing and my condolences to the family. I have good memories of fishing trips to Canada with Roger & Connie. The last time I saw her she shared a recipe for a berry cordial which was quite good.

“ Thought and prayers to all family and friends. Although we weren't close, i saw here frequently in her garden and hanging with friends and neighbors outside. I always admired her flowers and beautiful area she created for herself. She was pleasant to my son and made us some apple sauce and pie from the trees we shared. My son thought very foundly of her. I regret never taking more time to get to know her. She was loved by many and will not be forgotten. ❤️
