“ *My thoughts and prayers for every life that Dan touched. I remember him well. We went to American Martyr's together and I remember he lived just behind the church. Always such a kind person.*

“ *When you share a lifetime of brother-sister moments it is challenging to pick just one to reflect on. Dan was the little brother I wanted so desperately that I went to mass every day and prayed for when I was 7. My prayers were answered on my eighth birthday when he was born! I will remember him every day and especially on our birthday. I also remember one particularly tough time in my life where he was the shoulder I leaned on for comfort and support. I love you Dan! RIP. My thoughts, prayers & condolences to our entire family and all of our friends. 💜🙏💜*
