“ *I had the pleasure of meeting Dan when his grandson Payton played baseball with my son Jacob. He had such a quiet demeanor, but left such an impact on everyone he met. He was always smiling, positive and always sharing a kind word. The world will not be the same without him We definitely lost a good one!!!

“ We treasure the times when Matt and Amy's family came together to celebrate graduations, etc. when Dan was present. We know how Matt and Amy valued him as a brother so that made Dan special to us. We want his family to know they are in our thoughts as we pray for peace, comfort and strength during these days. Take consolation as you look back on fond memories and the quality of man he was.
