“ Dave and I were close friends through high school. We spent many nights playing smear or pinball with the rest of the gang. I have many great memories of those times. May God be with you and guide you during this sad time.

“ I was so very saddened to hear of David's passing. Though we were opponents on the football field, we became friends off the field for a time during our college days. I enjoyed rehashing the games with him. He will be missed...
