“ Jean and Lisa, May God Bless you and give you peace during this difficult time. God blessed my life when he brought your Dad into it in 1958. He's been my best friend and a friend to my family ever since. We have so many fond memories. I remember him looking at me with those clear beautiful blue eyes with a big smile on his face while at the same time he was playing some serious prank that took a while to discover. He is an exceptionally good man who put his family first and kept his friends close. Keeping you in my prayers. Gene McEathron, Front Royal, Virginia. 540-636-6637.

“ Jean and Lisa,  
Your dad (affectionately known to me as “Sarge”) was such an important part of my life. As Ray and Pat stated, he spent so much time at our house on and off duty. He was my dad's best friend and like a second dad to me. I will always treasure those memories. Please accept my deepest sympathy on the loss of one of the best men I have ever known. Fondly, Horseanella

“ Jean and Lisa - My memories of your dad take place in Iron River with your mom and both of you. Don was always kind and caring, but more importantly- had the best sense of humor and knew how to make people feel welcomed. The accolades in his obituary speak to the way he worked and lived. I'm sorry for your loss - RIP Don. Jean Ivory

“ It has been my pleasure knowing this wonderful man. His spirit, humor has touched many lives (even those he wrote speeding tickets to :). He enjoyed sharing time at the hunting cabin with family. Soooo many laughs. He enjoyed making furniture pieces for family. Ones that I will cherish. Your smile will always remain bright in our memories.

*To the family - our thoughts and prayers are with you.*

“ Our condolences to the Don Hinds family. Don had already retired from the MSP by the time I was assigned to the Iron Mountain Post, but I saw him regularly over the years at the MSP Retirees' Monthly get-togethers. He always wore a great smile and was a pleasure to be with.

*I never realized that Don had been so highly decorated throughout his State Police career, He was awarded many honors that few of us before or after can match. He was truly a tremendous asset to the department and to the citizens he served.*

*Rest In Peace Don.*
