“ Dear Wendy and family, planned to come to the visitation today but getting over a bad cold. Want to tell you how I miss your Dad in the neighborhood. We’ve lived here almost 35 years now and loved when your Dad would zip out that alley and would wave or honk if I was out in the yard; or to see him heading, I assume, up to see your Mom. Norway is just not the same place when these old guys are gone. Please know he is greatly missed. God’s comfort and peace now as you tend to things....with sympathy, Michael and Sally Bal
