“ Mrs. Pollard, after all these years, was may favorite teacher. She taught our 1st grade class in Hermansville. I remember her kindness and being the prettiest teacher in school. Throughout the years while passing thru Norway, I often wondered if she still resided in the area. My sincere condolences. Carol Yale-DeLoughary

“ Aunt Donna, Uncle Weldon, Renee, MaryBeth, David, Greg, Bernice Hartman (Donna's sister) Michael, Peter, Maryann, and Dog Buster. I love the memories of Aunt Donna coming to Bernie's house and our visits to DC, Inner Harbor, the Falls and picnicking, as well as swimming. I remember getting tomatoes ready to be canned for summer. Also, a wonderful memory was us sharing close birthdays together. You were not only my GodMother, but you became such an inspiration after Mom died; You were a great influence. I dearly loved all of the cards for every holiday, event, and celebration. You meant the world to me, and I thank you for all of the phone calls. I'm going to miss you so much, and I love you dearly.

“ Renee and family, so sorry to hear of your mother's passing. I know what you are all going thru. One of my first teaching positions was to fill in as a long term sub for your mother in Niagara. She was a great hard working lady. My thoughts and prayers go out to all of you at this time of sorrow. Mary B. Williams

“ To the Pollard family -
One of my favorite hymns includes the
following:

*"Gentle woman, quiet light
Morning star, so strong and bright
Gentle mother, peaceful dove
Teach us wisdom, teach us love"*

This SO describes your mom and grandmother. I am so glad I got to know her better as an adult and she became so much more than my friend Renee's "mom, but she became my friend. I will miss her but I am sure she is reaping her joyful reward from a life well-lived. My deepest sympathy and May God Bless you all.
