“ Prayers of sympathy and comfort to Donna's family. She was two years ahead of me at Vulcan High School, always exuding the confidence and poise I so envied. A beautiful person: our loss, heaven's gain. The suffering has ended, the cup emptied only to be filled at heaven's banquet. Once more, the best of wine has been saved for last. Amen.

Jerry and family, I am so sorry for your loss. Donna was a lovely lady and next door neighbor, always saying hello and stopping by from time to time to check on my mom. She will be especially remembered by me for her musicality having kindly accompanied Maria at my Grandma Van Eynde's funeral with the "Ave Maria". May she rest in peace.

“ *Words cannot begin to explain the love I had for you. I'm forever grateful to call you my Grandma. You were such a joy and loving person to be around. You constantly warmed my heart. I'll never forget all of our previous memories together, including the summer days I would stay at your house when I was a child, you buying me toys (some Dan and Linda would not have approved of) and ice cream, staying in your condo in Florida, bringing me to church, showing me how to use the piano, and so much more. You knew how to always brighten my day. I'll love you forever. I will see you again in the afterlife. God is proud of you and all of the families/people you created, including myself.*
