“ Things I want to remember abought my mom, having her at the kids birthdays. Holding them, singing songs. things she wrote in her Bible. Getting the oppotunity in her last days to tell her how much we all love her. A big part of our lives will never be the same. We will miss her greatly. Her smile her concern when my children were sick. Listening to us tell her biblical truthes from God's word. I'm thankful to be able to be their in her last days. Letting her know I love her. And she will always be in my heart. And many others who loved her. Because He lives Tabitha :)
