“ Our deepest sympathy to Dorothy's family. She was a very special friend to my mother, Celia Franceschini. She always remembered her with a card or a visit when Mom was in a nursing home until she passed on over 3 yrs ago. Our prayers are with you at this time of sadness.

“ Susie and Mike, I am so sorry you lost your mom. I will always remember Sept 1962 when Flan and Dorothy brought Mike and I down to E Lansing to begin our MSU education. So nice that our moms were roommates for a short time. I'm so glad I got to spend a few hours with you, Susie in October. God Bless. Jerry

“ I am sorry for your loss. My dad and I used to help Flan make hay in the summer. Dorothy would always have a huge supper ready for us when the last bale was in the barn for the day. She made the BEST lasagna I have ever had. That was 25 years ago, and I've still not had lasagna half as good as hers.

“ Susie and Mike and families,
What a wonderful woman your mother was. When she was in our ceramic classes she would tell stories of her and your dad going out dancing and how much fun they had. Each time it snows in May, I can still hear your mom say, "Flan is happy, snow in spring allows the ground to absorb the moisture slowly." God bless all of you at this time. She was loved and gave so much love back. I am so blessed to have such fond memories of her.

“ *Susie and Mike,
I don't have the words to express my sorrow at loosing Auntie Dorothy. Both of you have been constantly in my thoughts since you called on Monday, Susie. I'm flooded with so many wonderful memories of your mom. I feel so fortunate to have had her in my life. I'll miss her "Hi, Sweetie," her laugh, and her wonderful hugs. But, most of all I'll miss her love. She'll be in my heart forever. Love to both of you from both Terry and me.*

“ *What a wonderful woman Auntie was! God Blessed us all to have her in our lives. Her love was shared w/ all. Ceil Dolf, Angeline Muraro, Gramma Tinti, Mary Hueller(sp) etc. I remember your Mom most for her apron on and smile on her face....ate like a King when I use to help Uncle Flan and her bale hay...Dad made sure I went over and volunteered my services...
I remember being on the hay trailer w/Uncle Flan, and Auntie Dorothy driving the tractor, and wondering how a lady could drive a tractor so well...They both instilled a character quality that I'm very proud of. If I don't get to see you today Susie know that I will continue to pray for Uncle Flan and Auntie Dorothy the rest of my life. Lynn and I send you and Mike our sympathy, and will also pray for Mike's healing.
Love,
Cousin Dave

“ I am the granddaughter of Erwin and Ann Geline & niece of JoAnn and Eugene Lombardini, who live down the road from Dorothy and Farmer Flan. I grew up in WI, but every time we visited MI, I visited Dorothy and Farmer Flan. When I was little, 5 or 6 years old, my sister and I would paint Christmas decorations and send them to them. Farmer Flan would let me "help" him in the barn all day and tolerated my thousand questions and being underfoot when he was so busy. They would send me newspaper clippings and letters over the years. I am now 40 years old, but still cherish every letter and photo they sent to me. I love them both so much. They are very special people and I will never forget their kindness and love. I am so sorry for your loss. Sincerely, Cher

“ *What a sweet and wonderful woman your Mom was. She also has a sweet and wonderful daughter. Thinking of you and your family at this sad time. The suffering is over and she is at her reward. You did so much for her and were such a blessing to her. I know you're busy with the arrangements but I hope you find some peace. As usual, anything I can do, please ask. Michelle*

“ *Hi Susie, My thoughts are traveling to Michigan. In my mind's imagination I am there to give you a big hug and comfort you. I suspect you must be feeling so many different emotions right now. Your mom has gone to a good place, I'm sure, finding true peace in her real home with the Lord. May you hold close many happy memories of your mom. Love and sympathy to you and your family, Susie.
