“ Good bye my childhood friend. I remember playing cowboys and Indians along the creek. Going to the sawmill on Stephenson St climbing the piles of sawdust having sawdust fights.. Going to your house playing pirates in that huge boat that was in your yard. So many of my childhood memories revolve around the things we did. You were my BMF. Fly high with your new wings.

My sympathy goes out to all Dougs family. He was a good friend of mine for over 50 years and a great story teller after quite a few beers, He truly was the man the myth the legend and will be sadly missed.
