“ We are saddened to learn about Ed. Our thoughts and prayers are with you through this difficult time.
Mark and Ed were friends for so many years, taking trips together as young men and even a couple years ago skiing at Breckenridge. Mark is already "lost" without him as Ed was a loyal friend over so many years. He was indeed a "friend sticking closer than a brother."
We look forward with you to the resurrection and again enjoying his company.

“ Dear Sacha, Tahnee, I am deeply sorry for the loss of your father and will always remember him as a kind, loving, softspoken father. When finding words to describe Ed, gentle always comes to mind. Although I did not have many opportunities to spend time with him over the recent years, I certainly have fond memories of him when you both were very young. He built the first house you lived in and was a creative, hardworking person. I am deeply sorry for your loss.
Love,
Aunt Barb
