“ I remember you driving cool cars home from the dealership you worked at. My favorite car you drove home was the Camaro Iroc. I remember good memories coming over to play with your daughter, Michelle and eating the best egg rolls your mom used to make. Its amazing how fast time flies by. We must cherish the short time we have on earth while we can. You were a great man, and a great father to Michelle and Mark and a great supporting husband to your lovely wife, Kimmy. You will be forever missed and thought of every day.
