“ I have such wonderful memories both as a child and adult up on the farm, with Uncle Pete. These memories, as well as Uncle Pete will be in my heart always. I'm sorry I can't attend the funeral services, as health issues prevent me from attending. But I want you to know, I'm saddened by your loss, and your all in my thoughts and prayers. I will be thinking of you tomorrow. Love Sonny

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that having shared their love has enriched our lives. I will always be grateful to all of your family for embracing my son into your family. You have celebrated in his joy and encouraged his dreams. You have shared your wisdom and your love with Mike. He is truly blessed to have all of you in his life.
