“ to the Bertoldi family:

We used to be neighbours of your Mom in Oak Brook Terrace, Chicago, twenty years ago. Probably our best friend in USA. "Good English teacher" I used to say as she had great communication skills. We kept contact with postcards and in handwriting letters. Actually your Mom was one of the very few people with whom we used to have this kind of contact (handwriting) in the last 20 years therefore you can imagine she was a lovely person for us. She will be severely missed.

Elaine was very, very proud of her family. She always talk very good things about all of you to us through all these years.

Our deepest simpathy to all of you.

“ *To the Bertoldi Family,*

*So sorry to read of your Moms death. She was such a grand lady and I will always remember her as such. I knew her from Women's Club where she was a member for over 50 years. She and June Brown always sat together. I joined many years later and they were always giving me advice about the Club projects and other details. Your Mom always had a pleasant smile to share and was so kind to everyone. She will be missed.
My deepest sympathy to all of you.*

Sincerely,

Colleen Carlson (Mrs. Tom)

So sorry to hear of your moms passing. Best of friends now reunited in the Lords house. The adventures they had together, I can still remember all the stories they shared with us growing up. It's so hard to lose our mom's but we're comforted by all the great memories we have stored in our heart. Sally do you remember the prom dress shopping episode or the snowstorms from Green Bay? This is the stuff that warms our heart. God bless all of you and your in my thoughts as you lay your mom to rest.
