“ To all of Eleanor's family -- I was very sad to hear of your mother's passing and only heard of this a few days ago. As a kid and young guy around her house, I knew her great kindness and her great love for her family. I used to enjoy visiting her now and then, but in recent years felt those visits to be too much of a burdern on her. I will miss her and wish her soul and all of yours great peace.
