“ Anne and family, I had the privilege of caring for your mother when she came into the hospital. Please know that she has remained in my prayers since that day. Even though the time I spent with her was very short, I could tell she was a very kind woman, who cared for and loved her family. I hope you are able to find some comfort in knowing that she is now truly at peace. I will continue to keep you all in my prayers...God bless.
