“ My sympathy to Elmer's family. He was my neighbor "across the alley" since I retired and moved back to Norway. I couldn't have asked for a better neighbor. He did a lot of 'carpentry' work for mereconfigured some of the closets, made some bookshelves in my library etc etc and we spent hours visiting or exchanging recipes and highlights from his life. He had a great outlook on life and was always "as bright as a penny". He will definitely be missed but I am grateful to have been able to have him as a friend.

Sincerely,
Connie H.
