“ Dear Dorothea, Hegle. Andrea, Tina and all family of Ernie,

We are so very sorry for your loss. Your Husband and Father was a wonderful man, and we have many fond memories of spending time with him and all of you. He had a great sense of humor, and always made me (Kelly) feel welcome at your house. I remember when he took Andrea and myself out on a boat, and we tried to get up on the water with water skis. Of course, all we could do was laugh. I always had a lot of fun whenever i was with you all, and want you to know that you are all thought of fondly, and your Husband and Dad will always be cherished and remembered. My family and I will be praying for you at this difficult time. May God Bless you abundantly.

“ I work at Dickinson County Hospital and have known Ernie for many years. I was very sad to read of his passing. I looked forward to seeing him and I will miss seeing him and his wife. He was always cheerful and smiling. My prayers are with his family as they walk this new path without him by their side. They were so lucky to have him.

I will always remember many years ago when I lived in Decatur, AL, Tina needed to drive down to the Florida Panhandle to get her father. I drove her down so she could drive his truck back. When we got there, he wanted to ride back with me because I had a red Mustang. So he rode with me and Tina followed in his truck. He was a great man, and he loved his family dearly. I will always treasure this memory Tina as I know you have many of your own.

That trip has crossed my mind over the last weeks, too, Terry. It was a rescue run with a good outcome. Thank you for that.
