“ *What a very sad day to hear of Frankie passing away. He was such a unique person and I loved hearing his stories at Mark's camp. Unbelievable memory plus he told me of my relatives who I didn't even know I had. I'm going to miss Frankie very very much. Deep condolences to Frankies Family.*

“ *Dear Rose and family, It is with great fondness that I remember Frank as a good neighbor to my parents, Mary and Richard. He was very kind to them during their illnesses and always greeted me with a smile and a warm welcome. It is an end of an era in the neighborhood. My sympathy to you. Martha*
