“ Gary was an easy going, kind person. He lived a simple live but enjoyed sitting outside taking in the sun and the views around him as I recall when I was his neighbor. Never ever did he have a bad word to say about anything or anybody. Bless you & those you leave behind. Heaven has a place for you; with your family.

“ Gary was a neighbor of mine. Talked with him just a couple days before ambulance came, and he seemed in good spirits. His passing came as a complete surprise. RIP, Gary.
