“ *Dick and Darlene: we are very sorry about your mom's death. We will not be in town on Saturday, but please know that our thoughts and prayers are with your family. Your mom was a beautiful person and we enjoyed the time that we were able to spend with her. She loved having our two older children in to visit when her lawn was being cut and when we adopted two more children she thought that was great and loved spending time with them too. I cherished the visits that I had with her, sharing good news from the bible with her. She loved that. I will truly miss her. Dan, Cindy, Aimee, Jacob, Desiree & Marcus Wheeler*
