Gerritt you were my little brother I never had. All our fishing and hunting and trapping times will never be forgotten. One memory that comes to mind was when you tried to cross the river at foster city pond. You lost your new coat your mom bought ya but you didn't lose your fishing pole. Brian wynn jumped in and tried to save you. Then I went in and got both of you out of that backwash. I wish I could have been there to save you this time. I will miss you bud.

*Gerrit was such a friendly, helpful neighbor and extremely hard worker! He was always taking care of his animals or working on some project/ improvement around the his property. Very devoted to his animals and his family. Bob and I share heartfelt sympathy with all, as for Garritt truly was an amazing man.*
