“ Angie,
I was so stunned when i pulled up the day of Gordy's life celebration I had no idea he had passed away. I was just coming by to let him know i was home from treatment. We were very close and I loved him very much!! He was my best friend, we shared alot and laughed alot. I can not believe I will not ever be able to hug him or laugh with him again.He will always be a big part of my life and never ever forgotten. Will you and your family find the peace in your hearts knowing he will always be looking after you all.

“ *Many tender memories soften your grief,
May fond recollection bring you relief, And may you find comfort and
peace in the thought
Of the joy that knowing your loved one brought... For time and
space can never divide
Or keep your loved one from your side
When memory paints in colors true
The happy hours that belonged to you.
~ Helen Steiner Rice Gordy was a wonderful friend and we will all
miss him so much :(
