“ I was so surprised to see that your dear father passed away one day before our mom. I guess the Lord knew that these four friends belong together. Your parents were wonderful friends. I'm quite sure that the little rooster that your dad carved is still sitting on my mom's wall shelf. Our daughter is a chicken/rooster gal, and I'm thinking she will snatch that. Rich and I have fond memories of your parents. We'll pray for your families as you grieve his passing. How great to know these dear ones are in a better place! Beth Soderlund Henrion
