“ Alrighy then, guess I will be the first. I became a friend of Jackie's during our "pasty oven" yrs. Stayed in touch even after we both eventually left. She taught me a lot in cooking & dealing with people. Some folks found her "abrasive"...but I always appreciated her. I shared a lot of her views in life. Sassy woman... She was like another "mom" to me in a way, & at times a mirror of myself. Glad we talked & shared so much a few months ago , before she had go away from home. I know how much she loved her children, & would do anything for you all, if she could. I know I will miss her a lot, & am sorry for your loss. Yet rejoice, she is no longer suffering. ~ Bless you Jackie, & family ! ~ De Ann B.
