

James Harvey Moore

October 31, 1954 - February 13, 2015

HAMILTON LAKES- James H. Moore age 60 of Hamilton Lakes, died unexpectedly Friday, February 13, 2015 in Puerto Plata, Dominican Republic.

He was born on October 31st, 1954 in Detroit, MI. the son of the late Bud and Betty Moore.

Harvey graduated from Norway High School in 1972. He continued his education at Michigan Technological University where he completed an associate degree in land surveying. Following graduation he traveled down to Ferris State University and obtained his Bachelor's degree, also in land surveying.

Harvey's surveying career brought him all over the country with long stints in Colorado where he worked for Nolte Engineering and here locally at Coleman Engineering. Starting at Coleman as a land surveyor, Harvey climbed through the ranks to be named partner and ultimately president of the company. His presidency became official just six weeks ago on January 1st, 2015.

Harvey loved to spend time watching his kids and nephews play sports. Chris, Jeff, and McKenzie were all active in a wide variety of sports and there was no more devout a fan than Harvey Moore. His nephews Nick and Kyle Zweifel were multi-sport athletes at Norway, and there weren't many of their games or

matches where you couldn't find Harvey in the stands. Through countless high school games for all these kids and college games at Michigan Tech for Chris, Harvey was a constant presence. As with all things in life, he was unfailingly positive and far more concerned with sportsmanship than scoreboards.

Harvey didn't always just watch the kids, more often he laced up the skates and joined them. Right up until his last day Harvey was playing sports like a 30 year old. Whether it was men's league hockey, Thirsty Whale volleyball, or just a pick-up game in the gym, he was always up for a game. Over the years he ran many marathons and team relay events out in the Rocky Mountains. He remained an avid runner to the end and was looking forward to his 20th consecutive running of Grandma's Half marathon this June with his friends from all over the country.

There are no words to describe the positive impact Jim Moore made on the world he leaves behind. Every person that met him is better off for it, and those of us who were close to him have been given an exceptional example of how to live life to the fullest. Jim is survived by sons Chris and Jeff, daughter McKenzie, brother Dennis, sister Beth Ann, and grandchildren Warren, Gavin, Myla, and Aubrie.

Visitation will be held on Saturday, February 21, from 10-2 p.m. at the Evangelical Covenant Church in Norway.

Funeral Services will be held on Saturday at 2 p.m. at the Evangelical Covenant Church with Pastor James Danielson officiating.

Dinner will be available afterwards for those wishing to stay.

While flowers are welcome you may instead choose to send a donation to Mountain View Ice Arena in memory of Jim Moore. He had a tremendous

passion for the game of hockey and a donation to our local rink would mean a lot to him. Their address is PO Box 126 Iron Mountain, MI. God bless you all.

“ I worked with Jim in Denver from the early 1980s until he moved back to Michigan. Jim was responsible for getting me hired at Nolte, a job that I held for 10 years, so he was very important in my life. He was easily the most productive surveyor I've known in 40 years so he was absolutely top notch. He was also the liveliest, funniest and loudest (in a good way, as you know) person I've known in my career.

Its hard to believe that its been four years. I still think about Jim all the time and smile a bittersweet smile. I suspect that there is still a big hole in our lives, and you have my deepest sympathy.

“ I read your obituary every day still hoping this is a bad nightmare. Words can't express the loss I'm feeling...I call your cell phone just to hear your voice hoping you will pick up! This wasn't suppose to happen to someone so full of life and so much to give yet...I miss you!! Thinking about you a lot today!! I'm trying to make it a Harvey kind of day but some days are harder than others... feeling sad today! Love Beth Ann

Beth Ann my name is Terry Andrews. Your brother and I were best friends when we all lived in Detroit. I spent many nights sleeping over at your house on Five Points. This was before him and I turned 10. My birthday was Oct. 3, 1954. I always remembered his being on Halloween of the same year. My family moved to Livonia in 1964 and yours moved to the UP a few years later maybe 1970?? WE stayed in contact for a few years. I went to his wedding up in Norway Mich. I lost contact with your brother after that but always remember the days we spent together. I'm so sad to read the news of his passing. I hope you are doing well. P.S.I also remember your dad. He cracked me up. Bud always sang songs--old crooner type songs. Man I miss those days and all of you guys...Mickey, Dennis, Harvey and you Beth Ann.

“ They say it is not the amount of years in your life that matters but instead the amount of life in your years. Harvey packed every day of every year full of life, and for that reason his passing while still painful should also be celebrated. Jim Moore was a rock to our family. Thank you for honoring his memory with your touching tribute. We will be forever grateful for the meaningful memories you have shared with us and we'll treasure them for a lifetime, it means a lot.

“ My deepest Sympathy to the Moore Family.. Jim was a classmate Teammate and friend. Through life's journeys we encounter few true, genuine friends. Jim was one of mine, we shared the love of hockey, and we often shared the glory day's of past sports. Often we would venture to our family life, there was no doubt how important his kids and family were to him. I will miss Jim, I will miss his smile, I will miss him streaking down the ice, end to end, scoring a goal. we shared many laughs from high school to last week. “ To the Moore Family,

I am so sorry to hear of Jim's passing. It has been stated over and over by people from so many different parts of his life that Jim encountered – he was truly one of a kind. His buzz and his energy literally drew people to him; his smile and his stories were infectious. He made everyone around him smile (laugh!) and feel better – what a wonderful gift to have! Our shared profession of land surveying brought us together on many occasions. I will always cherish our conversations at lunch, that awesome 3 on 3 pickup hockey game in Stevens Point a few years back, and those times when he would call just to say “Hey Joe, how you doing today!!” Chris, Jeff & McKenzie - it was obvious by the stories he shared how so proud he was of all of you. As you wrote in his obituary, we are all better for having known him. My deepest sympathies and prayers are with you.

“ Chris, Jeff, and Mckenzie,

I don't even know where to begin...your dad was the epitome of "full of life". He was a wonderful, caring, loving, kind person. I can't think of a time where that man didn't have a smile on his face and it was such a bright, big, genuine smile that he lit up any room he walked into. He was actually at my grandpa's house (Don Carlson) when my grandfather passed away on November 14th, 2013...he was a friend of my grandpa's for years and years. Being that it was the night before deer season opened, Harv came out to our hunting camp to reminisce, laugh, and share stories of my grandpa. His presence along with that smile, laughter, and never ending supply of stories helped our family through a tough night. I can only hope that you can find some solace in knowing that your dad was many things to many people and, as others have said, a conversation never took long to turn to one of you. Our thoughts and prayers are with you.

Godspeed Harv. You are, and will be, greatly missed.

“ I enjoyed playing hockey with Harvey the last 9 years. I loved joking around with him. I try to play goalie and often found myself shaking my head . . . first, amazed he just got past the defender and then wondering how the puck went in the net. He had remarkably quick hands and an even quicker wit. Oh how he could make you smile. When I think of Harvey one word stands out . . . genuine. To the family of one of my closest friends : it took me this long to even express anything on here as i am heart broken by this tragic loss of one of the good ones as they say . It pains me so much that i sit here in tears , but i know for a fact that Harv lived life to the fullest . Also his love and devotion for family was as intense as his zest for life and he always put family first ! I know Harv will be miss by so many and that he would want all to celebrate his life and not grieve over his death but for some of us that is very hard to do being what he meant to us all . I am going to try to make it there on Sat but if not May God Bless all of you and please know that as a friend i love Harv and will never forget him as he was one of one and there is no one like him !!

“ *To the Jim Moore Family:
I am sitting here at work with tears in my eyes trying to process all of this and I just can't. Harv was one of my best friends and after 44 years of knowing him, he will be hard to replace. I can not think of a time that I laughed so hard and so often when I was with him. To Chris, Jeff and McKenzie I want to express my deepest sympathy to you and wanted to let know no matter when I talked to your Dad within a few minutes the conversation always shifted to one of you. He was so proud of your accomplishments whether it was in sports, your education or your careers.

“ As a fellow surveyor I also considered Jim a friend. Over the years we kept in touch with emails and at the MSPS Annual Meetings. The surveying profession has lost one of its best! So long Jim!

“ Chris, I am so sorry to hear of your families loss. The girls and I loved our visits with him when he would come into the Bagel Shop. He was a wonderful man and he will be greatly missed.

My memory of Jim goes back many, many years ago. We had many fun times with him and his family, mom and dad were as fun as Jim as were his brothers Dennis and Mickey. I will never forget him and will talk to him often, as I do with others that have passed on.

My sympathy to Jim's whole family, Mickey, Dennis, Beth, and his children. Wish I could have been there today, prayers for all family and friends of this dear man.

I am so sorry for your loss, and it was a huge one. I first met Jim in 1972 at Michigan Tech. What a great guy then. We never saw each other until last Sept. We reminisced and it was like we had never gone our separate ways. He will truly, truly be missed by so many. RIP Harvey!

My deepest condolences to the family. I meet Jim several years ago at a MSPS conference and was drawn to his personality. The survey profession has lost one of its best examples of what a surveyor should be. Rest in peace my friend!
