“ I am so sorry to hear of Jean's passing. What a pleasant, fun, always positive person she was. She was so very important to our family...not only for her friendship, but for her nursing skills and what she contributed to the office team in Dad's office. She is certainly part of the Greatest Generation. My thoughts and prayers are with all of you. She will be missed, but heaven is brighter.
Much love,
Pat and Randy Middlin

“ Mike and family, Gary and I are very sorry to hear of your Mom's passing. I remember her from the office, always smiling, friendly and asking how things were in my life. That crew was one of the office groups I have ever seen and she was an important part of it. She was one of the great nurses that provided an example to me when I became a nurse. Prayers are with you, Pat and Gary Vicenzi

“ Hi my name is Sue Hamlin Harrison,a niece. My memory of aunt Jean is when I was young around 10 I burned my leg on a motor cycle that was parked in norway . I didn't go the emergency room but to my aunt's house who turned out not an emergency nurse and wrapped my leg will h grampa Hamlin call ming in right behind her. In treatment so swift. It was amazing. The summers spent at Lake no 2 at the cottage will always be the best a kid could have. I was always Suz to Aunt Jean. For being a nurse, aunt, mother, friend I thank her so much. Her lovely smile, get wit, laughter love I will I will cherish always. Prayers for the family we lift up uncle Andy, my cousin's Julie and Mike thier families, children and grandchildren.
