“ *My deepest sympathy to Joan's family. Joan came late in the evening from home when my mother passed away last month so that I would have someone I knew to be with me until my family could arrive. Joan was so kind, so caring, so compassionate. I pray for her peace, and comforting memories for the family.*

“ My deepest sympathy to Joan's children, she loved them dearly. Bless Joan's mom, brothers, friends, and relatives. I got to know Joan a few years back, she was kind, had a great sense of humor, and had a caring heart. I am sad she had to leave this earth so soon and yet I know she is at peace in heaven. She would want everyone to know that very fact. She is with her sister and her Dad. I know she would want everyone to remember nothing but good memories. Bless you all and take care.
