“ *I fondly remember my cousin John from youth when visiting on his family farm. John was about 9 years younger than I was. We visited rarely but I do remember family get togethers at Nona Casari - Moken's house in Vulcan. John would be there with his brother Ben. My biggest memories of John are from many years later, during the time my husband, children and I were building our home in the Gladstone area. John brought his dump truck, crawler tractor and trailer to dig our basement and septic areas. Our family was more or less camping on our couple acres and John joined our camp for about a week. The kids really enjoyed their time with John, thinking of him yet today as a great big fun uncle even though he was really a second cousin. We all remember that great period we enjoyed with John.*

Rest In Peace, John.
